LANGUAGES

- Urdu
- English

ABOUT ME

I am a dedicated Full Stack Web Developer with strong expertise in HTML5, CSS3, JavaScript, Bootstrap, jQuery, PHP, and MySQL. I build responsive, user-friendly websites and web apps optimized for performance and usability. With a solid grasp of UI/UX and backend logic, I manage complete project lifecycles—from concept to deployment. I'm a quick learner, highly motivated, and focused on writing clean, efficient code.
